MARCH 8 – 14

NATIONAL CATHOLIC
SISTERS WEEK

Greetings!

National Catholic Sisters Week is an annual celebration created to honor the lives and contributions of Catholic sisters. To know a sister is to be inspired. This celebratory week is supported by a grant from the Conrad N. Hilton Foundation.

Participating in this celebration is easy. Here's how you can get involved:

- Visit our website, www.nationalcatholicsistersweek.org, to find:
 - resources for creating your own celebrations
 - a media kit with promotional materials easy for you to use (i.e., posters, ads, logos, template news release)
 - calendar listings of events happening across the country during NCSW
- Sign up to receive our e-newsletter (via our website).
- Download supplemental curriculum materials about sisters for middle school, high school or college campus ministry.
- Participate in our hashtag (#) campaign throughout the year. Connect with others and allow them to easily find and share your tweets and posts. Visit the “events” section of our website for details.
- Share your events on our website and we'll promote them across all NCSW social-media platforms.
- Watch oral histories profiling Catholic sisters from across the country and read journal entries by the young women who created the histories at www.sisterstory.org.

Follow and engage:
